## Invitation

Dear Sir/Madam,

The International University of Humanities and Development is organizing online an International Economics Olympiad for University Students (IEOUS-2024) of international and Turkmen higher educational institutions on 21-23 November, 2024. IUHD is honored to invite students of your university to participate in the Olympiad, as we believe this Olympiad will support our common mission of strengthening friendly relations between students and teachers of higher educational institutions, together with providing an opportunity for exchanging mutually beneficial scientific and practical knowledge and experience.

Official languages of the Olympiad are English, Russian and Turkmen.

Olympiad will be conducted at Categories A and B :
    Category A- students studying any discipline are allowed;
    Category B-only students who are not studying in the specialties of Economics, Finance, Management and Econometrics.

Each of the participating universities can nominate several students who will take part in the Olympiad. There is no restriction for the number of participants.
    A higher education institution participating in the Olympiad may offer 20 test questions and 5 problems. The problems should be sent to the organizing committee 20 days before the date of the Olympiad with a clear solution.
    Students interested in participating in the Olympiad and their team leaders can register online from October 1 to November 15, 2024 at https://iuhd.edu.tm/competitions

Your sincerely,
Organizing Committee

# INTERNATIONAL ECONOMICS OLYMPIAD FOR UNIVERSr STUDENTS (IEOUS)

Ek-1

## REGULATION

This Regulation is a regulatory document for organizing and holding the International Economics Olympiad for University Students (IEOUS) that determines the procedure for its conduction.

**Goals of the Olympiad:**

a) to strengthen friendly relations between students of higher educational institutions and exchange mutually beneficial scientific knowledge;

b) organize joint scientific discussions of professors and students of higher educational institutions;

c) prepare young specialists capable to solve emerging scientific and practical problems .

**Purpose of the Olympiad:**

a) identifying smart and capable young people, creating conditions for them to choose professions related to their further intellectual development;

b) implementation of mutual communication between higher educational institutions and individual scientific centers.

1. **Organizational and methodological support of the Olympiad.**

1.1 Creation of Organizing Committee to carry out the general management of the IEOUS.

1.2 The members of the organizing committee will be approved by the rector of the International University for the Humanities and Development.

**Organizing Committee:**

a) Determines the main procedures for holding the IEOUS and implements the organizational work on conducting and holding the Olympiad;

proposals for determining the schedule and duration of Olympiad, as well as methodological and control manuals;

c) Prepares Olympiad problems with representatives of higher educational institutions of Turkmenistan and foreign countries;

## 2. The procedure of organizing and holding the IEOUS

2.1 Students enrolled in undergraduate programs of higher education in various areas and specialties of all higher educational institutions of Turkmenistan and foreign countries can participate in the Olympiad.

2.2 The official languages of the Olympiad-Turkmen, Russian and English.

2.3 Each participating student must be registered through the website https://iuhd.edu.tm/competitions

2.4 Olympiad will be conducted at Categories A and B :

a) Category A- students studying any discipline are allowed;

b) Category B-only students who are not studying in the specialties of Economics, Finance, Management and Econometrics.

2.5 Each of the participating universities can nominate several students who will take part in the Olympiad. There is not any particular restriction on the number of participants.

2.6 Students participating in the Olympiad must work independently. During the Olympiad, it is forbidden to talk with a partner, use books and newspaper articles. A participant who violates these rules will be excluded from the list of Olympiad participants.

2.7 A higher education institution participating in the Olympiad may offer 20 test questions and 5 problems. The problems should be sent to the organizing committee 20 days before the date of the Olympiad with a clear solution.

2.8 Problems can be proposed by a non-participant higher educational institution or an independent expert .

2.9 The jury of the Olympiad will include representatives from higher educational institutions, also scientific and educational institutions of Turkmenistan and foreign countries. The rector of the International University for the Humanities and Development will approve the members of the jury and its Chairman.

2.10 The jury evaluates the works of participants and sums up the resu

2.11 Any participant has the right to file a complaint, but only the Team Leader can apply to the jury members.

2.12 Complaints will be considered by the jury members and the final points will be set by the chairman of the jury. The decisions of the Chairman Jury are irrevocable and not negotiable.

## 3. The procedure for determining and awarding the winners of the Olympiad.

3.1 The winners of the Olympiad will be determined by the sum of points scored in individual olympiad.

3.2 The winners of the Olympiad will be awarded with gold, silver and bronze medals and with $1^{st}$, $2^{nd}$ and $3^{rd}$ degrees diplomas, respectively.

3.3 The number of winners should not exceed 50% of the total number of participants and Diplomas will be in a ratio of approximately 1:2:3.

3.4 The student who solves a specific problem in a unique way will be awarded with a special prize.

3.5 A student who completely solved any problem at the Olympiad but did not receive the prize will be awarded with Honorable Mentioned Diploma.
